Together, We Achieved Miracles in 2024

This year has been a testament to the power of compassion and collective effort. Each life we touched, every smile we restored, and every milestone we achieved was made possible by your generosity.

Your belief in our mission empowers us to provide world-class, free healthcare to all who walk through our doors. We are profoundly grateful for your kindness and commitment. Thank you for being part of our journey to make healthcare accessible for all.

With gratitude,
**Friends of

Landmark Healthcare Milestones Achieved at Indus Hospital & Health Network in Pakistan

IHHN inaugurated its new state-of-the-art Emergency Room (ER) at the Korangi Campus, a milestone significantly enhancing its capacity to serve Karachi's growing population. With the ability to treat **500,000 patients annually**—up from 200,000—the new ER is a testament to the commitment to providing free, high-quality healthcare.

In another major step, IHHN relocated its Family Medicine Clinics to the newly constructed hospital building, marking the first phase of an ambitious outpatient department expansion.

These clinics, which act as the first point of contact for patients, now operate in a modern facility designed to meet growing demand and are projected to serve over **1.16 million patients annually**. With 117 clinics offering preventive care and specialist referrals, IHHN continues to set new standards for outpatient care.

IHHN also held a remarkable Open House tour, showcasing phase 1 of the new building's expansion. Through an immersive experience, IHHN's supporters were shown the state-of-the-art facility, which provides quality healthcare completely free of cost.

Naziran Mai: A Journey of Resilience and Recovery

After losing a child due to lack of proper care and enduring life-threatening complications herself, Naziran Mai feared her third pregnancy would bring more heartbreak. Living in a small town with no access to quality healthcare, she found hope at Indus Hospital's Al-Ghazi Trust Campus, where compassionate care ensured the safe delivery of her healthy baby boy.

Fundraising Activities

Friends of Indus Hospital, USA

Fundraising Events

Meet & Greet

These events not only raised critical funds but also brought people together in the spirit of generosity and hope.

Looking Ahead to 2025

A Vision for the Future

As we step into 2025, our resolve to make quality healthcare accessible remains stronger than ever. With your continued support, we aim to:

- Increase service delivery capacity through hospitals
- Invest in a robust primary care network through innovation
- Cultivate the leaders of today & tomorrow through quality education & training
- Lead cutting-edge research
- Integrate a multi-sectoral approach
- Build alliances & partnerships for sustainable resource generation

The possibilities are endless, and we are excited to embark on another year of impact, together with you.

Closing Message

Be Part of the Change

As we close this chapter and look forward to the next, we invite you to continue this journey with us. Together, we can heal more lives, restore more hope, and create a healthier tomorrow.

Regards,

Friends of Indus Hospital
